

Could you help to lead worship?

Is God calling you to think about this role in your local church?

As our number of ministers decreases, Local Worship will become a bigger part of our regular pattern. Could you be involved? It's a vital and very rewarding role.

The Methodist Church provides an excellent training course to equip and support you AND we have a new training group starting soon in this circuit.

If you would like to explore this, please talk initially to one of the local tutors, Rev Gill Baalham (01234 930025) or Liz Little (01234 347966). We can explain the process and the course to you.

There will be an introductory session, probably via Zoom, at 7.30pm on Tuesday 27th April for those who would like to get a taste of the training, with no obligation

Is NOW the time to take the plunge?
