

# Living Countryside awards 2021

## CPRE Bedfordshire Living Countryside Awards – an invitation to churches

CPRE Bedfordshire would like to invite churches across Bedfordshire to apply for the 2021 Living Countryside Awards.

The awards celebrate the people and projects that have a positive impact on Bedfordshire's rural environment and urban green spaces.

The awards may be particularly relevant to churches currently registered with A Rocha UK's Eco Church programme. However, individual church members may also be involved with, or know of, eligible projects.

Is your church doing any of the following?:

- Managing its land for wildlife
- Managing community allotments
- Working closely with local sustainability groups
- Organising community litter picks
- Local conservation work
- Providing opportunities for church members and / or your community to enjoy the countryside or connect with nature
- Running youth work projects with an environmental focus
- Running community recycling hubs
- Running local food cooperatives, delivery services etc

If yes, then you may have a project that fits into one of our four broad categories.

- Better places to live
- Made in Bedfordshire
- Connecting people and countryside
- Inspiring young people

Applications close at 5:30 pm on Friday 16th April 2021.
