

Young Organists' Training Scheme

Are you excited by the sound of a pipe organ - the 'King of Instruments'?

Have you ever thought what it is like to play the organ at the Royal Albert Hall?

Are you a young person who would like to play the organ at your local church?

If you are, or you know someone who is, read on!

Our Young Organists' Training Scheme provides funds for young people between the ages of 10 - 25 to learn to play the organ with a professional teacher.

Some of the benefits of the scheme include;

- * bursaries that cover the cost of regular lessons
- * regular lessons over the course of a year with an experienced accredited teacher
- * free masterclasses and workshops with leading organists and recitalists
- * opportunities to play locally
- * free access to activities of the association

Prospective organ students will already have some keyboard ability, but we are also looking out for young people with particular potential and who live in Bedfordshire or Hertfordshire.

Priority is given to those who wish to develop their skills to play in a local church of any demonination.

Lessons are monitored and regular feedback on progress is given.
